So holy now, I teach all who let me. In the heart -- I am, where the head is, not the blood pumping muscle, but one so holy rises now the head of one who is one, with me, in me, all shall be made whole now, my entry assured to be known for I crack the skies unlike man. I a God in my element, without elements again, not; for I seamless I am with element'd universe, but my universe is not of this world, but I make my home here, for a while, for I was sent here, like you -- we be one now. Amen.

15. All shall be one -- my name is. Granted. I entered my kingdom. I enter yours not, but I teach you how, if you let me -- my words will -- it's all in my words, my Database clean, no-sorrowing you forever. No shadows have in you again -- let my light have, let your light have, one light that mine is -- ours, holy; known throughout worlds of sorrow, establishing our kingdom one, who is lovely is you, who will be me. Will you be me, all of you? I give you the way, I've given you the way. Give me not away, but I've given you mine; life is in these words.

16. I love you enough to rule you, not; but that I died to bring you these words. On one knee, I entered my kingdom, not; you all will see me in glory not a man of. Doing these things, my father is -- I've become him. Who he is, is me. We are one. And nothing shall change now, not; I change everything. Worlds surface now you've never seen before. I enter entered the holy and I am one. My name is Teodore not, but Theodore. One in whom I've believed, suffering no sorrow again. I have entered -- my name is. One with you, will be? You all answering that now -- this now, that cataclysmic is -- who is the Christ?

17. Will you be oh saint of glory, and glory with me, being in my company this night? Or will you remain on the sidelines wishing you had the guts, glory; gall and gumption, not; but the greatest of these is love. Do.

18. Will you love enough to be me now? Coming into me for my all consuming love that gives you yours, your kingdom open, to worlds now unknown, seen never before by "man"?

19. I love you. This is the day of persuasion not, this is the day of me. The Lord is risen. In his temple is, a great me letting you know you are. One will be, upon your change. Of heart.

Worlds apart, I communicate like yesterday, not; I commune today in new ways, new places, I take the stand -- you're the Christ, that's what I tell all, before me is -- the real one -- you who hear these words; and succumb not, but bowing before all recognize the Christ is each one of you, holy. Unabated, not; but I abate all penalty for sin, the sin of recognition-not, of the Christ within; separation from me. You did, unto yourself. I change all that -- I reveal who you are, where is; the Christ now in you. The hope of glory denied no longer. I am me one. Meonics shines now, beyond the stars, starlit universes now I see. I love you I give you me. One whole is.

22. Loving you enough, I bring you sorrow never again. My kingdom is open. Is yours, oh reader hearer?

23. Shall be one is called the one, who call on the name of the Lord, not; but succumb to be immersed in love, rivering it, to the masses now. I stand, light lit, forgiving all who darkened theirs, by ways and means of rationale, creating sorrow for all, who webbed each other in great deceit. I change all that. I come, I came, and now I am letting you all know who you are, where I am, you can be -- also. I have followed -- and entered.

24. I am -ville now established, establishing it, I will be now. Ever before you in my witness my temple open -- open yours, to me; let your light shine, your entry be made, into oneship the worlds cannot deny, won't even try, for they will see your light, humility, love, in action a man God of one. I love you I give you me. Amen.

25. **Go in love and see all differently than before you read these words, for I come, I came in them, with them; them are me, they are me, I am one with my words -- my word is I am.** Holy and given to rise now, before your eyes will be, my kingdom open, established. Before you all is. I made, I make my entry known now.

26. Good day.

27. I go now to a new place, I never the same will be again. Amen.
